

Brian Millar
Professor
Blended Learning in Dentistry at Kings College London
United Kingdom

Professor Brian Millar BDS, FDSRCS, PhD, FHEA. Professor of Blended Learning in Dentistry at King's College London and NHS Consultant in Restorative Dentistry at the King's College London Dental Institute at Guy's, King's and St Thomas' Hospitals. Specialist in Prosthodontics and in Restorative Dentistry. Programme Director for the internationally popular MClindent (Fixed & Removable Prosthodontics) now in its 20th with graduates in over 60 countries practising a high level of clinical dentistry. In the past set up the highly successful MSc programmes in Aesthetic Dentistry and also Advanced General Dental Practice by blended learning at the KCL Dental Institute. With 37 years experience in clinical practice and currently an active specialist clinician in both hospital and private practice, particularly in treating tooth wear, aesthetic and occlusal problems utilising MI philosophies where possible. Experienced teacher to undergraduates and postgraduates and well-known provider of postgraduate education nationally and internationally at conferences through lectures, seminars, webinars and hands-on courses. Published over 180 papers, supervised over 200 PhD and Masters students, involved in setting up MOOCs with over 20,000 students. Series Editor of three books on Essentials in Esthetic Dentistry. As well leading on the silencing of the dental drill collaboration, research includes management of occlusal problems using MI techniques, bringing together aesthetics and function with a focus on tooth preservation.
