

Sayaka Tada, DDS, PhD  
Assistant Professor  
Discipline of Operative Dentistry, Endodontics & Prosthodontics,  
Faculty of Dentistry,  
National University of Singapore,  
Singapore

Dr. Sayaka Tada is Assistant Professor of the department of Prosthodontics at National University of Singapore since 2018. Her major interest is about the management of partially dentate older adults, which ranges from a clinical decision-making process to a public healthcare system. She received her D.D.S. degree in 2007 and Ph.D. degree in 2012 from Osaka University, Japan. In 2014, she was qualified as prosthodontists from Japanese Society of Prosthodontics. After post-doc training in University College Cork (Ireland) and Osaka University (Japan), she worked as Assistant Professor of the Preventive Dentistry (WHO collaborating center) at Niigata University (Japan) between 2016 and 2017. Also she is currently appointed as a board member of European College of Gerodontology and an associate editor of Journal of Prosthodontic Research. She received the ICP Poster Award in 2015.
